Dear Sis.

Of late the mail man has been good to me, bringing me something every time. The papers though usually a month old are most welcome.

There is something I'd like for you to send me, that is several packages of V-mail forms. As you know it is now permissible to mail packages now eight ounces or under. So mail several separate packages. I'd also appreciate if you subscribed to the Time magazine for me.

Thank you ever so much for both the Easter and birthday cards. I received both on the 15th of May, just a day short of my birthday.

This letter will reach you just short of your birthday, so I'd like to wish you many returns of the day.

"Hello" to Harry and the girls. Your letters photograph very well, so keep up the good work.

Love

Sis.
